12th STREET SURVEY WORK

PURCELLVILLE, Va. August 7, 2015 — Beginning on August 10, 2015, survey crews will be gathering information along 12th Street, between E. Main Street and E. G Street. This work is being done as a part of the Town's contract with A. Morton Thomas and Associates, Inc. (AMT) to provide a feasibility study for improvements to 12th Street. The survey work may continue for three (3) weeks thereafter, dependent upon weather and other unforeseen conditions. AMT's vehicles are marked and employees will carry identification which they will produce upon request.

The Town of Purcellville, Virginia

Purcellville is an award-winning town of nearly 8,300 residents located in Loudoun County, approximately 40 miles west of Washington, DC. It has been honored for its green initiatives, most recently with the prestigious Siemens Sustainability Award for Small Communities. The Town has an elected Mayor and six Town Council members. Once a stop along the W&OD rail line, Purcellville has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, entertainment, farmer's markets, wineries, breweries, distilleries and restaurants.
